PORN VALLEY, CA—Sara Luvv is a fast-rising porn starlet who has made plenty of guys blast multiple loads after seeing her scorching performances. Sara has a natural sexual ability—it's hard to believe just a few short years ago she was another civilian gal. Thankfully, Sara Luvv found her true calling in porn. Now an adult industry veteran, Sara continues doing what she does best—fuck hard, and fuck often!

When did you realize your calling to become a porn star?

I didn't. Porn just sort of happened. There was no "Ah-ha!" moment, if you will. It became who I am, and what I love. It was gradual.

What's the best and worst thing about being a porn star?

Best thing . . . getting the best sex available. Worst thing . . . nothing I can think of.

What would you say is your best and worst physical feature and why?

Best is my face, ass, legs, boobs, smile, freckles, and toes. My worst . . . I love myself, and I'm very happy with my physical appearance.
[Laughs]

Are you a dominant or submissive person?

I'm a switch. If you can't seem to handle me, I will dominate you. If you make me feel the need to serve you, I will try my hardest to be the best little whore you have ever seen. I think I prefer being submissive.

You've done anal on film and a blowbang. Will we ever see you in a gang-bang on film?

Hmm, not sure. You may just need to wait a bit for the answer to that one.

Do you masturbate often? Who or what do you think about when you masturbate?

I masturbate often, and what I think about is always changing.

It usually has to do with me being tied up in some way and being played with.

What sexual fantasies have come true for you since you started working in porn?

My blowbang, and having sex with girls. I fantasized about those things a lot before I was finally able to do them.

Describe the hottest scene you've ever been involved in. Who did you perform with, and for what film/studio was it for?

My first anal scene for Hard X with James Deen in *Anal Cuties 2*.

What new girl in the business would you most like to have sex with and why?

I can't think of any new girls. I don't really follow the industry closely, I just know people that I've actually performed with.

What's it like to have a job in which you get to be naked at work?

Being naked is nice. I'm much more comfortable with my naked body now because of my job, and I'm very happy about that.

What would be your advice to a civilian guy if he wanted to approach a porn girl for a date?

Don't try so hard to impress us. Be yourself; we're regular people just like you.

Have you had a one night stand?

No, I'm bad at those. I tend to only have sex with people that I like personality-wise. So none of my one night stands have ever stayed that way. I always become friends with them.

Would you rather win an award for your acting performance or your sexual performance?

I would rather win an award for being a nice person. I put everything into my acting and sexual performances, and it would be nice to get recognized for those things. But what matters most to me is

treating people well, and being known for how professional and kind I am. I like making those around me happy.

Where's the hottest place you ever had sex?

Out on my apartment balcony during the day, with people walking around down below. It felt so naughty!

What's one sex toy you can't live without?

My Lelo vibrator wand.

What's one superpower you wish you could have?

Invisibility. That would be fun.

What does the future hold for you? How far do you want to go in porn?

I'm not too sure about all that. I want to continue in porn for a bit longer before I hang my hat. I just live my life happily day-by-day.

Anything you'd like to say in closing to the readers?

Not really, I pretty much told you everything. [Laughs] Hope you guys love my scenes!

TUSHY.COM PRESENTS MISS TUSHY

Greg Lansky's *Miss Tushy* is a series of four scenes starring some very physically appealing ladies having anal sex. Of course, we all want to watch sultry Kendra Lust doing her first anal, and Kendra steals the show as she experiences anal orgasm for the first time with AVN Male Performer of the Year Mick Blue. Carter Cruise gives up her award-winning body to Manuel Ferrara. With Marley Brinx and the ever-amazing AVN/XBiz Starlet Of the Year Abella Danger rounding out the cast, this movie is about quality, featuring high-end production values in prestigious settings with exceptional attention to detail.

KENDRA LUST

Kendra has been seeing a psychiatrist for some time now. Little does he know Kendra has been fantasizing about him, dancing slowly and erotically while he watches. She slowly peels off her sexy underwear until he can't resist her beautiful body any longer. She opens up to him, telling him every detail of her intimate fantasy. He knows exactly what he has to do to help her work through this. He kisses her roughly, feeling up every inch of her body. When he runs his tongue around her ass, she gives in totally to him, rubbing her pussy as he works her butt-hole. When he gets his finger in her ass, she can't stop cumming. Once they are naked, she sucks his cock with pure gusto, before he slams hard and fast into her sweet pussyhole. Then he moves on to her ass, pounding her until she cums again! After he has taken her from behind and she has ridden his dick with her eager asshole, he blows his load over her sexy face, leaving her hungry for her next session!

CARTER CRUISE

Carter doesn't want to learn to play the piano ... she much more interested in playing the organ, especially the reproductive kind. But her parents are paying for music lessons and she has to keep them happy. She gets it wrong time and time again, and for that she is going to pay—with her tight ass. She gets spanked by her piano teacher for her bad behavior, and when he inserts his finger into her pink butthole, there is only one way this is going to end. After teacher makes Carter gag on his big dick, he slams her pussy, making her cum so hard she nearly cries. Having such a big cock in her ass leaves her gasping in ecstasy, and eagerly anticipating her next piano lesson!

MARLEY BRINX

Marley is looking good and ready to kill it at today's lingerie photo shoot. But the competition is stiffer than she thought ... and so is the photographer. There's only one thing that will guarantee her this gig. This photographer can really open doors for her, so it is a small price to pay when he asks if he can pry open her back-door and bounce around inside her anus. He gently fingers her ass and pushes his tongue inside, making her moan for more. Marley's pussy looks mighty tasty, but the pervy photographer is only focused on ass eating. The only thing he wants is access to her beautiful butthole. Marley grants his wish, letting him pump her bung until she squeals! Marley's a covergirl, for sure!

ABELLA DANGER

Abella Danger is sick and tired of her boyfriend's poker addiction. This isn't the first time she's had to fuck creepy dudes in order to pay off his debts. But this time is different. This time payment will be extracted directly from her sphincter account! Abella is surprised by how much she likes being told what to do and getting her round butt spanked. She takes her man's entire length in her throat, before he informs her about the anal payment plan. Abella has never tried anal before, but her boyfriend's debt is so big, she has no other option. As he bangs into her virgin butthole, Abella realizes just what she's been missing out on. Anal sex is fun ... and good for you!

SUCK MY BOOK WORM

Photography by Suze Randall

They met at a bookstore. She was browsing women's erotic fiction, and he was buying a men's fitness magazine. He offered to buy her a latte, and she accepted. After a witty and insightful literary chat, she invited him back to her place. Now he's buried balls-deep inside her tight, wet snatch, pounding away at her glorious hole until he's ready to pop. After splattering her face with goo, he notices there are no books anywhere in her apartment. She admits she only visits the bookstore to pick up big-dicked geeks. That works for him. He can't even read!

ANAL PLAY- GROUND

JULES JORDAN

★ ★ ★ ★ ★

Starring: Holly Michaels,
Jada Stevens, Bibi Noel,
Trinity St. Clair
Directed by Jules Jordan

When you were a kid, the playground represented a place of fun, laughter and carefree experimentation. As a teenager, the playground was the place you visited after dark to smoke butts, drink beer, and make-out. As an adult, your body becomes the playground, and shoving things up your ass is a way to recapture that wide-eyed sense of wonder. Jules Jordan understands the emotional importance of ass play and captures it perfectly in *Anal Playground*. Check out Jada Stevens's big, bubble butt. Is there a more desirable ass in all of show business? Holly Michaels, Trinity St. Clair, and bad girl Bibi Noel invite us all inside their brown holes. Visit the *Anal Playground* and you'll stay all day!

BIG ANAL ASSES 3

HARD X

***Starring: Keisha Grey,
Mandy Muse, Kelsi Monroe,
Mia Malkova
Directed by Mason***

Mason's latest epic for Hard X, *Big Anal Asses 3*, features four relentless anal sex scenes. Before the action begins, Mason treats us to some tantalizing tease performances by Keisha Grey, Mandy Muse, Kelsi Monroe, and Mia Malkova. The highlight here is Keisha Grey's first anal performance, and the big-breasted beauty doesn't disappoint, getting rectally sodomized like a seasoned pro. Hey, Kiesha! She likes it! *Big Anal Asses 3* is a solid effort, made all the more memorable by Keisha's introduction to anal pleasure.

BUBBLE GUM GIRLS

**DIGITAL
PLAYGROUND**

★ ★ ★ ★ ★

***Starring: Dakota Skye, Alina Li, Veronica Rodriguez, Lucy Tyler, Katerina Kay
Directed by Sum Dude***

High production values and hardcore sex sometimes make strange bedfellows. Shouldn't dirty sex look ... you know, *dirty*? The folks at Digital Playground are great at making raunchy sex look pretty, and they hit another high benchmark with the manga-inspired *Bubble Gum Girls*. Alina Li is a drop-dead gorgeous Asian stunner who looks amazing swallowing dick. Dakota Skye, Veronica Rodriguez, Katerina Kay, and Lucy Taylor all don colorful wigs and fuck like crazed sex maniacs. The story (remember when adult films had those?) involves hot girls with magical skills held captive and forced to dance for kinky clients. By the time the girls bust free, you'll bust a nut (or two)! *Bubble Gum Girls* will blow you away!

GANG- BANG AUDITIONS 24

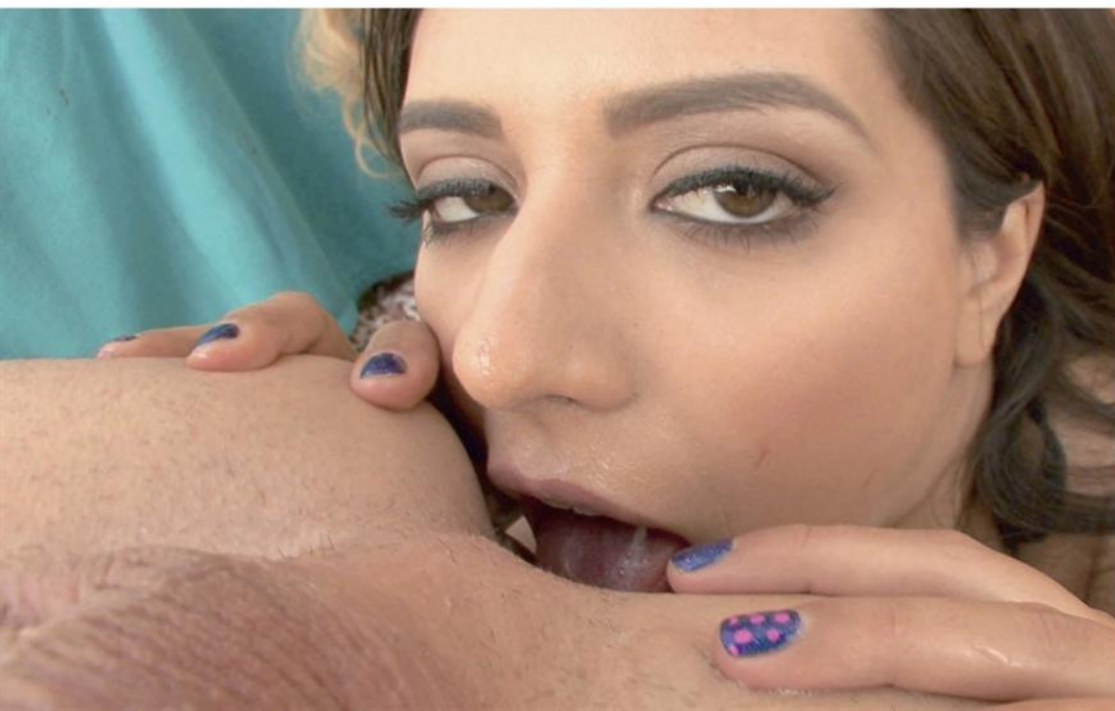

DIABOLIC

Starring: Aletta Ocean, Amy Brooke, and Sarah Vandella
Directed by Sid Knox

Diabolic's *Gangbang Auditions* series has brought smiles to faces and boners to laps for decades now, and *Gangbang Auditions 24* continues the grand group sex tradition. In the first scene, John Strong, Mark Wood, Mick Blue, Denis Marti, and Jenner all take a refreshing dip in Aletta Ocean. Ocean ends up covered with salty semen. Party girl Sarah Vandella is up next, also taking on the Goo Squad of Strong, Wood, Blue, Marti, and Jenner. Sarah winds up similarly soaked. Blue, Marti, and Jenner return to triple-team Amy Brooke in the final scene. (Strong and Wood presumably couldn't make it due to a prior engagement in another vagina.) Brooke finishes strong—and sticky—bringing *Gangbang Auditions 24* to a powerful close!

ANAL ASSES

EVIL ANGEL

***Starring: Kimmy Olsen
and Allie Jordan
Directed by Mike Adriano***

The title of Mike Adriano's latest offering for Evil Angel may be oxymoronic (What else could asses be but anal? Oral asses? That's just weird!) but the action is no-nonsense and scorching. Two sassy sluts, blonde Kimmy Olsen and dark-haired Allie Jordan, tease Adriano with their plump, adorable butts. They walk on a treadmill while Mike films them from behind. Then he hungrily licks chocolate syrup off Allie's round buns. The girls put on fishnet pantyhose and make-out while Mike French-kisses their assholes. Kimmy and Allie stretch their buttocks with big anal toys and join forces to rim Adriano's anus and slurp his big dork. Mike plunders these horny young ladies' bouncy asses in a frisky anal threesome with lots of ass-to-mouth cocksucking. The title may be confusing, but the content is clear—*Anal Asses* is a gooey three-some done right!

3 ON THEIR KNEES

ZERO TOLERANCE

Starring: Rilynn Rae, Maddy O'Reily, Romi Rain, Krissy Lynn, Ash Hollywood, Aubrey Addams, Holly West, Brandy Aniston, Cassandra Nix, Lylith LaVey, Belle Noire, Amanda Tate, Helly Mae Hellfire, Natasha Starr, and Cameron Bay.
Directed by Mike Quasar

A blowjob is a beautiful thing. A double blowjob is exponentially better. And a triple blowjob is, well ... just about the best thing a man can experience. Might as well jump out a window after you spew, 'cause life doesn't get any better than three chicks simultaneously polishing your knob! Director Mike Quasar lets us explore our triple blowjob fantasies in a safe environment with *3 On Their Knees*. This homage to triple-head is inspiring, insightful, and guaranteed to make you spew. With a cast too numerous to mention, *3 On Their Knees* offers hours of top-quality deep-throat, ball-sucking, helmet-licking entertainment. What's better than a three-girl blowjob? Four girls? Just how much dick do you have to go around, buddy?

DIAMOND KITTY

HERE KITTY, KITTY

Diamond Kitty just got a boob job, and she loves showing off her brand-new, firm, ripe melons to anyone who will look. "Aren't they awesome?" she says, jiggling her firm mounds. "They look so full and perfect! I absolutely love my doctor!" He made your breasts look magnificent, Diamond. Why not play doctor with us? We need a thorough prostate exam immediately!

A close-up photograph of a woman with dark hair and eyes closed, her mouth wide open in a scream or shout. She is wearing dark nail polish. Her hands are placed on the chest of a man, whose face is partially visible in the foreground. The man has a beard and is looking down. The background is blurred, suggesting an outdoor setting.
